

Finnish Mini Safari

4 days / 3 nights / 2 days out with the huskies

Enjoy a husky safari for two days in the heart of Finland with well-trained top quality Alaskan huskies. In the day time driving your own dog team through the snowy wilderness, enjoying lunch around the open fire and spending a night in a wilderness cabin**. Comfortable accommodation in a small friendly family hotel with a small swimming pool and gym before and after the safari.

**** If you wish you can spend all 3 nights at the hotel and go out with the huskies on 2 full day trips. See below. Just mention it when you wish to book.**

Also please ask about options to extend your stay for snowmobiling, downhill skiing, XC skiing, snowshoeing and Reindeer farm visits.

This is one of the most snowy areas in Finnish Lapland. It belongs to Taiga forest area which means very beautiful snowy trees like the shape of candles in mid-winter time. Also northern lights are often seen here. The guides here have run husky tours for over 20 years. Meals during safaris are mainly local, traditional food like reindeer and local fish. Special diets are catered for.

Day 1

Arrive at Kuusamo (or Oulu) airport where you will be met and transferred to the hotel. Introduction to the hotel and programme. Dinner and possibility of a sauna and swim. Overnight at hotel.

Day 2

Today you pack up all your gear and start your 2 day safari**. After a short transfer to the Husky kennels where you will prepare to drive your team of dogs to the wilderness cabin, perhaps stopping for lunch over an open fire. The cabin will soon be warm and cosy heated by a large wood fire. On arrival you take care of the dogs first and then you
