

3 day Snowmobile Safari

Finnish Lapland

5 days / 4 nights

Come and enjoy the fascinating beauty of the Lapp nature on a snowmobile safari! The snowmobile is an excellent way of getting to know the wintry wilds of Lapland. The routes are planned with environmental consideration in mind. You are provided with full equipment and safety regulations are always given before starting the engines.

Day 1

Arrival at Kittilä airport and transfer to snowmobile base. Welcome dinner and overnight in one of the safari houses with shared facilities.

Day 2

After breakfast you will meet your safari guide and receive information about the programme as well as the safari equipment (warm snowmobile jacket & trousers, boots, socks, mittens, hat, gloves, balaclava and helmet). Pack your personal items in a backpack to be transported with you in the snowmobile. The rest of your luggage will be stored in the base.

Our experienced guide will give you safety instructions and driving training and then it is time to start the engines! Driving distance today is approximately 100km, over frozen lakes and snow-covered forests. Late afternoon we arrive to Galdotieva wilderness centre in Palojärvi, on the border to Norway where warm sauna and dinner are waiting. Overnight in comfortable log cabins or apartments with shower and toilet.

Days 3

After breakfast it is time to discover the surrounding treeless fell region, and learn the first hand tricks of deep snow driving! Lunch is prepared during the safari. Driving distance today is between 80-100 km depending on the weather conditions and the skills of the participants. Dinner, sauna and overnight in Galdotieva.

Day 4

After breakfast the snowmobile safari continues back to the Holiday Centre. Driving distance today is approximately 100km and in the evening you are sure to feel those muscles in your legs! Time for sauna and why don't you treat yourself and book also a massage after the sporty days. You will have a chance to recall once more the action of the last days with the safari group during a delicious farewell dinner. Overnight in one of the safari houses with shared facilities.

Day 5

Breakfast and transfer to Kittilä airport.

Duration: 5 days / 4 nights / 3 days on the snowmobile safari
