

Winter Snow Adventure

Day of arrival (Saturday)

After transfer from the airport to Husky base and check in to your room. Later you will be able to enjoy the renown Finnish homemade food.

Introduction day

Today you receive information about the coming week, we show you around the place and we provide you with your safari clothes.

Cross-Country Skiing (around 2 hours)

After the breakfast the guide introduces you to the techniques of cross country. Then you are taken on a small tour in the close by surroundings. The trip takes about 2 hours. After lunch you have the possibility to do individual cross country skiing by your own.

Husky Safari introduction (around 2 to 3 hours)

In the afternoon you meet our huskies and you get a short instruction how to handle a dog sledge. The guide takes you on a round trip of about 13 km. You drive your own dog team with 4 - 6 dogs.

Snowmobile Safari (around 5 hours)

After providing you with thermal clothing and a short snowmobile driving instruction, you can enjoy the speed in the beautiful nature. We make a day tour and have lunch around a campfire.

Snowshoeing (ca. 3 hours)

Today you have the chance to join a snowshoeing tour. The guide tells you more about the animals in the Finnish forest and you can try to read their tracks. There is a break with coffee and tea around a campfire.

Husky day-safari (4-6 hours)

The chance to experience more dog sledging with our faithful huskies. This trip takes about 4 to 6 hours and is approximately 30 km long. The guide prepares a typical Finnish outdoor lunch for you around a campfire.

Reindeer farm (around 4 hours)

In the morning you have the possibility to visit a reindeer farm. The owner shows us his herd and tells us about the work with reindeer. Afterwards he invites you for a cup of Finnish coffee and a snack.
